DEPARTMENT OF THE SECRETARY OF STATE OF CANADA.

PUBLIC NOTICE is hereby given that the Imperial Academy of Sciences at St. Petersburg offers a reward for information which may lead to the discovery of Baron Toll's Polar Expedition.

Baron Edward Toll, Chief of the Polar Expedition sent out by the Academy of Sciences, left the Bennett Island, lying north of New Siberia, on October 26th (November 8th), 1902, taking a southern direction. He was accompanied by the astronomer Seeberg and two Jakoots: Vassily Gorokhov, with the surname Chichak, and Nicolas Protodiakonow, with the surname Omook. The party seems to have been carried away by the ice.

As the researches hitherto made have been in vain, a reward of five thousand (5000) roubles is offered by the Academy of Sciences for finding the whole expedition, or any part of it, and a reward of two thousand five hundred (2,500) roubles for giving the first exact indications of tracing the party.

Dated at the office of the Secretary of State of Canada, this eleventh day of May, 1904.

LEGISLATIVE ASSEMBLY.**PRIVATE BILLS.**

EXCERPT FROM RULES AND ORDERS RELATING TO PRIVATE BILLS.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,—shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Dated 5th November, 1901.

NOW KNOW YE, that by these presents WE do hereby order and proclaim that the locality hereinbefore described, and the inhabitants thereof, shall, from and after the said date, be incorporated as a City Municipality, under and subject to the provisions of the "Municipalities Incorporation Act," the "Municipal Elections Act," and the "Municipal Clauses Act," and all amendments to said Acts, or any one or more of them, and under and subject to the provisions hereinafter contained or referred to.

The said Municipality shall be called and known by the name and style of "The Corporation of the City of Ladysmith."

The said Municipality shall comprise all that piece or parcel of land hereinbefore described.

The Council shall consist of a Mayor and seven Aldermen, and the whole number present at each meeting thereof shall be not less than four.

The nomination shall take place, and the poll, (if any) shall be held at the Opera House, in said Municipality.

The nomination for the first election of a Mayor and Aldermen shall be on the 11th day of June, A. D. 1904, at 12 o'clock, noon, and the polling (if any) shall be on the 15th day of June, A. D. 1904, and shall continue for one day only, and the poll shall be kept open between the hours of 10 A. M. and 4 P. M., and John Stewart, of Ladysmith, Esquire, J. P., shall be the Returning Officer thereat.

The qualification of the members of the first Council shall be identical with the qualifications contained in section 14 of the "Municipal Clauses Act," as amended by section 3 of chapter 42 of the Statutes of 1903-4, save that the last revised Provincial Assessment Roll shall be referred to.

The persons qualified to vote for Mayor and Aldermen at the first election, and at all elections and bye-elections to be held during the year 1904, shall be all persons who are male British subjects of the full age of twenty-one years, and have resided in the limits of the City for the three months next preceding the date of such election, and

- (a.) Who are the assessed owners of lands or real property situate within the Municipality; or
- (b.) Who are the tenants in possession of lands or real property situate within the Municipality, paying therefor a rental having a monthly value of at least five dollars,

and who shall, before the day of such election, have applied to the Returning Officer and have had their names placed on the list of electors for such election.

It shall be the duty of the Returning Officer to enter in a book, in alphabetical order, the names, addresses and occupations of all persons, qualified to vote as aforesaid, who make application to him, as aforesaid, to have their names placed on such list, and such list shall be the list of the electors for such elections.

Before the name of any person shall be placed on the list, he shall make and sign a declaration in writing, before some person authorised to administer oaths, setting forth his name, address, occupation and qualifications as aforesaid, which declaration shall be filed with the Returning Officer.

Such list and declarations shall be open to inspection by any person within lawful hours.

Any person may complain that his name is improperly omitted from the voters' list, or that any other name is improperly inserted thereon, and may apply to any Judge of the Supreme or County Court to have his name inserted thereon or to have any names improperly inserted thereon struck off the said list. In such latter case reasonable notice, to be determined by the Judge applied to, shall be given to the person whose name is proposed to be struck off. The Judge shall hear and dispose of all such applications in a summary way, and the Returning Officer shall amend the list in accordance with the Judge's decision.

At least six days' notice of the time and place of nomination and of holding of the poll (if any) shall be given by the said Returning Officer; such notice to be posted during that period in the manner provided by section 30 of the "Municipal Elections Act."

The Returning Officer shall, on the day of nomination, at 2 o'clock P.M., announce the names of the persons put in nomination in that behalf as candidates for the offices of Mayor and Aldermen, as prescribed by the "Municipal Elections Act."

At the close of the time for nominating the candidates the Returning Officer shall deliver to every candidate, or agent of a candidate, applying for the same, a duly certified list of the names of the several candidates who shall have been nominated; and any votes given at the election for any other candidates than those so nominated shall be null and void.

If, at the expiration of the time appointed for the election as aforesaid, no more candidates stand nominated than there are vacancies to be filled up, the Returning Officer shall forthwith declare the candidates who may stand nominated to be elected, and return their names to the Registrar of the Supreme Court.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

If, at the expiration of such time, more candidates stand nominated than there are vacancies to be filled, the Returning Officer shall declare the names of the candidates, and publicly proclaim the day previously stated in his proclamation, and the place or places at which the poll shall be so opened in the Municipality, for the purpose of taking the votes of the electors according to law; and shall then adjourn the election, and shall take a poll by ballot, and shall cause to be posted notices of his having granted such poll, indicating the names, residences, and occupations of the candidates so nominated, in the order in which they shall be printed on the ballot papers, which notices shall, as soon as possible after the nomination, be placarded in all the places where the proclamation for the election was posted.

If, after the adjournment of an election by the Returning Officer for the purpose of taking a poll, one of the candidates nominated shall die before the poll has commenced, the Returning Officer shall, upon being satisfied of the fact of such death, countermand notice of the poll, and all the proceedings with reference to the election shall be commenced afresh: Provided that no fresh nomination shall be necessary in the case of a candidate who stood nominated at the time of the countermand of the poll.

In case of a poll being held the candidates (duly qualified) who shall obtain the greatest number of votes shall be Mayor and Municipal Aldermen respectively.

Every person qualified to vote shall have eight votes, being one for each Alderman to be elected, and one for Mayor, but he may vote for any less number than eight: Provided always, that he shall not cast more than one vote in favour of any one candidate, or vote on more than one occasion, except for Mayor. And in the event of the number of votes being found to have been equal for any two or more candidates, one or more of whom, but not all of such candidates, being by the state of the poll entitled to be declared elected, the Returning Officer shall, by a casting vote or votes, as the case may be, decide which of the candidates for whom the votes may be equal shall be elected: Provided that the said Returning Officer shall not vote except in case of an equality of votes as aforesaid.

All expenses attendant upon the said election shall be borne by the Municipality.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Mayor or an Alderman, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Mayor or Alderman shall be filled as provided by the "Municipal Elections Act."

Until the said Municipality is divided into wards, the Mayor and Aldermen shall be elected by those qualified to vote in the whole City.

The Mayor and Aldermen elected at the first election shall hold office until his successor, or a majority of their successors, have been sworn in, unless he or they shall die or resign or become disqualified.

The first meeting of the Council shall be held on the first Saturday after the day of election, at the said building, at two o'clock in the afternoon.

Until provision be made by by-law in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Clauses Act," and all the powers, privileges and duties of the Mayor and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of the said Province to be hereunto affixed: WITNESS, the Honourable Sir HENRI GUSTAVE JOLY DE LOTBINIÈRE, Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this third day of June, one thousand nine hundred and four, and in the fourth year of Our Reign.

By Command.
